Sex Male | Date of birth Dec/13th/1964 | Nationality Croatian

POSITION

Head of Endocranial Surgery, Department of Neurosurgery
Clinical Hospital Centre “Sestre milosrdnice”, Zagreb, Croatia,
Vice President and founder of Croatian Society for
Cerebrovascular Neurosurgery.

WORK EXPERIENCE

- 2013. - current **University Professor**
Department of Neurosurgery, University Hospital Centre Sestre milosrdnice, Zagreb, Croatia
European Association of Neurosurgical Societies Center of Excellence for Neurosurgical training
- 2011. - current **Primarius in Neurosurgery**
Professional title awarded by the Ministry of Health
- 2010. - current **Head of Endocranial Surgery, Department of Neurosurgery**
Department of Neurosurgery, University Hospital Centre Sestre milosrdnice, Zagreb, Croatia
- 2009. - 2010. **Head of Operative Theatre Unit**
Department of Neurosurgery, University Hospital Centre Sestre milosrdnice, Zagreb, Croatia
- 2000. - current **Court Expert in Neurosurgery**
Ministry of Justice, Republic of Croatia
- 1998. – current **Neurosurgeon, Consultant**
Department of Neurosurgery, University Hospital Centre Sestre milosrdnice, Zagreb, Croatia

EDUCATION AND TRAINING

- 2012.- current **Higher Research Associate**
Scientific Field of Biomedicine and Health, Clinical Medical Science
Scientific title awarded by the National Scientific Council of the Republic of Croatia

- 2008. – 2012. **Assistant Professor**
Scientific Field of Clinical Medical Science, Faculty of Education and Rehabilitation,
University of Zagreb

- 2008.-2012. **Research Associate**
Scientific Field of Biomedicine and Health, Clinical Medical Science
Scientific title awarded by the National Scientific Council of the Republic of Croatia

- 2003.- 2006. **Postgraduate PhD Programme in Molecular Biology**
University of Zagreb, Faculty of Science Postgraduate PhD Studies
PhD research Thesis: Changes in tumor suppressor gene (APC) in tumors of the
central nervous system

- 1989. **Doctor of Medicine Degree, Summa Cum Laude (4.83 out of a 5.00 GPA)**
University of Zagreb Medical School, Šalata 3, 10000 Zagreb, Croatia

PERSONAL SKILLS

Mother tongue(s) Croatian

Other languages

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
German	A2	A2	A2	A2	A2

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
Common European Framework of Reference for Languages

Communication skills

- Strong team communication and leadership capabilities gained as a result of being a department head and team leader for a number of years. Extensive experience with interviewing and applying for grants and projects.
- Over a decade of active neurosurgical training and every-day decision making in a challenging clinical setting.
- Academic research and teaching skills gained through intense work with undergrad students and PhD research, as well as numerous oral and written lectures, papers and presentations in domestic and international congresses.

Organisational / managerial skills

- Leadership – currently in charge of a surgical department with 16 beds
- Vice President and founder of the Croatian Society for Cerebrovascular Neurosurgery
- Extensive organizational experience with congresses, lectures, symposia, instructional courses held during my time with the University Clinic.
- Strong prior experience in an international setting gained through multiple observerships, international courses, congresses and symposia.
- Prior first-hand experience with scholarships and scholar exchange programs
- Good command of quality control processes and active participation in optimization of routine work, as well as introducing novel methods and techniques.
- Strong clinical background in patient care, surgical treatment and complications handling, interpersonal communication with colleagues and patients alike
- Performed surgery in all areas of neurosurgical pathology, including complicated interdisciplinary procedures in endocrine and skull-base surgery
- Extensive on-call experience gained in a tertiary center
- Contributed as a researcher to as many as five referral center scientific projects supported by the Ministry of Health and School of Medicine, Zagreb
- Extensive experience in experimental genomics and oncogene research, protein isolation and analysis techniques as a part of a postgraduate PhD programme

Professional training

- Marseille, pediatric neurosurgery (with professor Gabriel Lena)
- Copenhagen, liquor derivation procedures
- Gent, endoneurosurgery, (with professor Caemaert)
- Graz, neuronavigation, pediatric neurosurgery, AV malformation embolization (with professor Hans Eder)
- London, liquor derivation procedures (GOSHFCS)
- Colmar, cerebrovascular neurosurgery, endovascular obliteration therapy (with professor Alain Tournade)
- Salzburg, Weill Cornell Seminars on Neurosurgery
- Frankfurt, tumor neurosurgery
- Wien, cerebral revascularization

Scientific projects

2005. – 2012.
 1991. – 1995.
 1990. – 1993.
 1987. – 1991.

The role of WNT signal path gene in human neoplasia, Croatian Institute for Brain Research
 Laser Endoneurosurgery, approved by the Ministry of Science of the Republic of Croatia
 Transplantation neurosurgery, approved by the Ministry of Science of the Republic of Croatia
 Neural tissue transplantation in the treatment of the central nervous system diseases and damage, approved by the Ministry of Science of the Republic of Croatia

Job-related skills

Fields of expertise include:
 General Neurosurgery
 Cerebrovascular neurosurgery
 Tumor neurosurgery (skull base, pontocerebellar tumors)
 Spinal neurosurgery
 Pediatric neurosurgery (tumors, drainage procedures)
 Neurotraumatology

Memberships

Croatian Medical Chamber
 Croatian Medical Association
 Croatian Neurosurgery Association
 Croatian Vertebrology Association
 Croatian Neurovascular Diseases Association
 European Neurosurgery Association
 World Neurosurgery Association
 The Ministry of Health and Welfare of the Republic of Croatia Referral Centre for Cerebrovascular Diseases
 Croatian Society for Cerebrovascular Neurosurgery

Computer skills

- good command of Microsoft Office™ tools, Mac OS, and statistical software

Conference organiser

- Third Congress of Croatian Neurosurgery Association, Zagreb, 2002.
- Fifth Congress of Croatian Neurosurgery Association, Dubrovnik, 2008.
